

Wealth Management Service
Discretionary Management Agreement
Offshore bond accounts

I am delighted that you have decided to take this next step in becoming a client of Bordier UK. Our Discretionary Management Agreement (DMA) comprises a number of important documents that will need to be completed by you so that we can open your new account.

In this modern world we are all required to provide information and identification documents when financial or legal matters are involved, whether it is opening a bank account or applying for a new passport. Our industry is no different, but this should come as no surprise given the importance of the service that we provide.

Although some of these questions might feel intrusive we are asking them so that we can fully understand your circumstances. This will enable us to provide you with the best service possible and to make sure we are managing your investments in a suitable manner. It is therefore vital that we know as much about you as possible to ensure that we can achieve this. I should also mention that if your circumstances do change at any point you must let us know as soon as possible as it may influence how we are managing your investments.

We have tried to make this form as clear and concise as we possibly can, so I hope that you find it easy to complete. However, if you have any questions please let your investment manager know. Alternatively, please give our Client Services team a call and they will also be very happy to help. **Please note that the fields marked with an asterisk (*) are mandatory, and that we will be unable to finalise your application should these fields be incomplete.**

Once again I would like to welcome you to Bordier UK and I hope this marks the start of a long and happy association between us.

Jamie Berry
Chairman

10. Correspondence

We produce comprehensive valuation reports every three months during January, April, July and October. These valuations include summaries of assets and cash held, cash movements, dividend and interest payments, purchases and sale transactions and corporate actions. We provide your periodic reports as well as all other correspondence to you online, via your secure access to our webserver, with copies to your financial adviser and/or accountant as directed by you. When reports are ready to view, we will send you an email informing you of this. Within the library system, all your information will be saved in annual folders. These will be stored in perpetuity and are both easy to access and read. You can view these securely online and print all or part of them should you so wish. You may also view your portfolio online via our web-based valuation service. All information will be viewable via a computer, laptop or other mobile device, including your mobile phone.

If you have elected to receive any form of correspondence from us, you will be informed via email. In order for you to be informed via email that the reports are ready to be viewed on our secure online webserver we will need the most up to date email address.

12. Verifying the offshore bond provider's identity

We provide investment management services to a number of offshore bond providers and in many cases will have carried out verification procedure for the company. We will contact the offshore bond provider separately regarding any additional information we require to comply with verification procedures. We will also seek any necessary authorities to enable us accept instructions from the Member as described in Section 26.

13. Selecting an investment objective and risk profile

We encourage all investors to form their own judgment as to their investment objectives and the level of investment risk that they are prepared to take to achieve those objectives. Purchasing, selling or subscribing for investments involves risk and some types of investment involve greater risk than others. To assist with this decision, we have compiled a risk and suitability guide. Before completing the following section, we strongly recommend that you read this document.

Should you have any questions or be in any doubt about how to complete the following section, you should contact us or your professional adviser. Attention is also drawn to the Risk Warnings accompanying the Agreement.

Have you read and understood the Bordier UK risk and suitability guide?

- Yes
- No

If no, please explain how you have reached your decision regarding your appetite for investment risk:

14. Investment objective

Which of the following Primary Objectives best represents the investment objectives for the bond portfolio. (Please tick only one box):

- To grow the bond's capital.
- To obtain an income from the capital of the bond.

15. Investment strategy and risk profile

Having studied and understood the Bordier UK risk and suitability guide or if the you have made a decision independent of our guide, which of the following five strategies and corresponding risk profiles (ordered lowest to highest) do you think is most appropriate. (Please tick only one box):

- Defensive Strategy (Risk profile 1)
- Cautious Strategy (Risk profile 2)
- Balanced Strategy (Risk profile 3)
- Growth Strategy (Risk profile 4)
- Adventurous Strategy (Risk profile 5)

16. Currency and currency risk

What currency would you like your portfolio to be managed in? This currency will be used as the base currency for your valuations and influence the strategy we adopt for the portfolio. Please tick one only:

- Sterling
- Euros
- US dollars

Other (please specify):

Please refer to the Bordier UK risk and suitability guide, which provides further guidance on the level of currency risk for each Risk Profile.

17. Investment restrictions

Are there any investment restrictions which apply or you wish to apply to the portfolio (e.g. no UK situs assets to be held)?

- Yes
- No

If yes, please provide further information here:

If you do not impose any limit on our discretion we will assume that there are no such restrictions. You should note that we will use a mixture of investments with varying degrees of risk to meet your overall stated objectives.

18. Time horizon

How long do you intend to hold the portfolio?

- Short term (2-4 years)
- Medium term (5-10 years)
- Long term (over 10 years)

19. Understanding of financial markets

Which of these categories best describes your general understanding of financial markets?

- None/limited
- Moderate
- Good
- Very good
- Expert

What level of experience do you have of investing in stockmarkets?

- None/limited (0-2 years)
- Moderate (3-5 years)
- High (6-20 years)
- Significant (over 20 years)

Please state whether this experience has been through self-managed stockmarket investments or via investments arranged by a professional adviser?

- Self-managed
- Professionally arranged

20. Affordability and suitability

If you have large borrowings (e.g. mortgage) and other debts, have you considered reducing these or paying them off rather than establishing an investment portfolio?

- I/We have no significant borrowings.
- I/We do have borrowings, but believe that long-term investment returns will outweigh the interest cost of this debt.
- I/We do have outstanding borrowings, but expect these to be paid off from other sources.

How dependent is the success of this investment portfolio in meeting your short-term financial goals?

- Not dependent
- Partially dependent
- Totally dependent

How dependent is the success of this investment portfolio in meeting your longer-term financial goals?

- Not dependent
- Partially dependent
- Totally dependent

21. Impact of major market correction

If there were a major stockmarket correction of more than 20% in any one year, which of the following best describes the impact of this event on your overall wealth and your reaction to such a fall? (Note: it is quite possible that a portfolio's income levels would be unaffected by such a fall in stockmarkets).

Please tick one box below that most closely matches your profile:

- The portfolio forms a significant part of my/our overall wealth and I am/we are reliant upon it to provide for my/our financial needs. A major fall in stockmarkets is likely to have a big impact on my/our lifestyle and longer-term financial needs. I/We would need to place the capital on a much more secure footing to prevent any further decline in value.
- The portfolio is a key part of my/our overall financial wealth and I am/we are somewhat dependent upon it to provide for my/our longer-term financial needs. A major fall in stockmarkets may cause me/us to reassess my/our objectives and alter how I/we allocate my/our capital to investments.
- The portfolio is a relatively important part of my/our overall financial position, but its success is not critical to either my/our day-to-day priorities or long-term financial needs. I/We can take a relatively long-term view and I/we would be prepared to wait for stockmarkets to recover.
- This portfolio forms a small part of my/our total financial assets, so a major fall in markets is unlikely to cause any change to my/our long-term financial needs. I/We can take a long-term view and may consider adding to the portfolio to take advantage of such stockmarket weakness.

Please provide any additional information or clarification below:

22. Verifying your identity and address

We are required to confirm the identity of the beneficiary to comply with international anti-money laundering legislation. It is therefore necessary for us to have documentary evidence of your identity and private address. This requirement can be met by providing us with one document from each of the boxes detailed alongside. In addition, we may search databases and other forms of public record (such as the Companies House register or electoral register) to verify the information you have given us.

Please produce one document from each of boxes A and B within this section.

Please state here the documents you are providing to us to verify your identity and private address:

Identity verification:

Address verification:

A - Identity verification

- Current signed passport.
- Residence permit issued by Home Office to EU nationals.
- Current photo-card driving licence.
- Current full UK driving licence. Note: A provisional driving licence is not acceptable.
- Self-employed in the construction industry - tax exemption certificate with photograph of holder (Forms C155, C156 or SC60).
- HM Revenue and Customs tax notification.
- Firearms certificate.
- Evidence of entitlement to a state or local authority-funded benefit, tax credit, pension, educational or other grant.

B - Address verification

- Local authority tax bill for the current year.
- Bank, building society or credit union statement or passbook containing current address.
- Recent utility bill (not more than three months old) or certificate from supplier confirming the arrangement to pay for the service on pre-payment terms (e.g. by direct debit). Note: a mobile phone bill is not acceptable.
- Current photo-card driving licence (if not produced for A).
- Current full UK driving licence (old version) (if not produced for A). Note: A provisional driving licence is not acceptable.
- Mortgage statement for the current year from a recognised lender.
- Solicitor's letter confirming recent house purchase or land registry confirmation (in such cases we will also need to verify the previous address).
- Local council rent card or tenancy agreement.

Note: If you are sending the documents to us by post, please do not send the originals. We will only accept by post copies certified by a lawyer, bank or other regulated professional person, or if you are a non-UK resident, by an embassy, consulate or high commission.

23. Schedule of fees and charges

This schedule of fees and charges should be read in conjunction with our Terms of Business and client information sheet, and forms part of the Client Agreement.

All fees and charges are subject to VAT as appropriate.

Annual management charges

We reserve the right to levy a minimum annual management charge of £3,000 per annum plus VAT.

| | |
|-------------------------|-------|
| On the first £1,000,000 | 1.00% |
| On the next £1,000,000 | 0.75% |
| On the next £1,000,000 | 0.50% |
| Thereafter | 0.30% |

Annual management fees are expressed as a percentage of the value of assets entrusted to us for portfolio management and they are charged monthly in arrears, unless otherwise agreed.

Example: On a £500,000 portfolio, a 1% fee would equate to £5,000 per annum plus VAT at 20%. This would give a total fee of £6,000 per annum. The fee would be charged in arrears in 12 monthly instalments of £500. The exact fee would be calculated at the end of each month so it will fluctuate depending on the prevailing value of the portfolio.

Interest paid on cash balances

Interest is paid on client money whilst held with SEI at a rate of 0.4% below the Bank of England base rate. The current interest rate payable equates to 0.35%, which is calculated daily and is credited to your account gross every month. Please note, no interest is earned on money held directly with Bordier UK or with another custodian, or on foreign currencies.

Transaction charges

| | |
|--|------------------|
| Maximum standard transaction charge | £50 |
| Transactions with a value below £5,000 | 1% no minimum |
| Additional charge for transactions in shares | £25 |

Purchases of UK shares are also currently liable to government Stamp Duty at a rate of 0.5% of the consideration. Additional stock exchange or brokerage charges may also apply. Overseas securities may also be liable to additional fees.

Withdrawal from international agreements within 12 months

Due to the management, administrative and compliance costs involved in setting up an international client agreement, we levy a charge if an account which has been introduced to Bordier UK by firms or individuals not based in the UK is closed less than 12 months after the original sum for investment is received. The rate charged will be 1% (plus VAT if applicable) and will be based on the average value of the portfolio (observed monthly) over the period of investment. The charge will apply until the first anniversary of the investment.

Example: If the average value of the portfolio (observed monthly) was £500,000 a 1% fee would equate to £5,000 (plus VAT if applicable).

Other charges

| | |
|---|--|
| Regular payments to a designated bank account | Free of charge |
| Payments to HMRC | Free of charge |
| Ad hoc payments | £25 per payment |
| Ad hoc CHAPS payments | £50 per payment |
| In specie transfer to a third party | £75 per security |
| In specie transfer from a third party | £25 per security |
| Quarter up/probate valuations | £100 fixed charge plus £25 per line of stock |
| Replacement tax pack | £50 per pack |
| Change of reporting currency/wrapper provider | £250 per portfolio |
| Arrangement to attend a shareholder meeting or vote | £25 per meeting/vote |

Any special custody requirements for certain securities, such as eurobonds and overseas securities, may incur additional charges.

We may review our fees and charges for providing our services at any time and shall give you not less than one month's notice of any changes to them.
