

Hope & Fear Strategy

1. Introduction

1.1 These are the terms of business (Terms) incorporated in the agreement between you and us (the Discretionary Management Agreement or agreement) on which we, Bordier & Cie (UK) PLC (we, us, Bordier UK) and any person to whom we have delegated our obligations under these Terms, will provide our services to you (our Client).

Our main business is the provision of discretionary investment management. **We do not provide advice on any aspect of pensions, drawdown, pension transfers and income drawdown. We will not provide you with general financial advice or more specialised advice relating to either tax or legal matters.**

1.3 In these terms:

1.3.1 any word or expression to which a meaning is given in the rules and guidance of the FCA contained in its handbook (FCA Rules) shall, except where the context indicates otherwise, have the same meaning in these Terms;

1.3.2 words importing the singular shall, where the context permits, include the plural and vice versa;

1.3.3 headings are for convenience only and shall not be taken into account in the interpretation of these Terms;

1.3.4 references to a person includes any firm, partnership, association or persons and body corporate and any such persons acting jointly and the personal representatives or successors in title of any such person; and

1.3.5 references to an Associate shall mean a company or other person connected to Bordier UK.

2. The scope of our services and commencement of our services

2.1 We will provide you with the following services on, and subject to, these Terms:

2.1.1 the discretionary services provided to you under these terms enables the manager to exercise their

discretion in buying or selling investments within the Portfolio (as defined in Term 5.1) without referral to you. Under these arrangements we will manage one or more Portfolios of money, financial instruments, investments and other assets (each a Portfolio) on a discretionary basis unless stated otherwise; and

2.1.2 such other services as may be agreed between us from time to time.

2.2 We will arrange:

2.2.1 the administration of one or more Portfolios on your behalf; and

2.2.2 the safe custody and administration of your Portfolio as per Terms 13 and 14 will be provided by SEI Investments Europe Ltd (SEI) unless Bordier UK decides to use other custodial services. Your periodic statement will clearly show those assets held under SEI terms and those held directly under Bordier UK's terms.

Full details of the services provided by SEI can be found in the SEI Investments (Europe) Limited Terms and Conditions for Custody Services, which are supplied with this document.

2.3 Notwithstanding Term 2.2, Bordier UK may, where reasonable, employ agents (including Associates) to perform any administrative, custodial, dealing or ancillary services required to enable Bordier UK to perform its services under this Agreement.

2.4 The services provided or procured by us will commence on the date we notify to you, which will be as soon as practicable after we have received the last of:

2.4.1 confirmation of your agreement to be legally bound by these Terms.

2.4.2 all documentation necessary to enable us to comply with our obligations to combat money laundering and financial crime; and

2.4.3 other information, documentation, consents, authorities, warranties and assurances as we may require to comply with our legal and regulatory responsibilities or to allow us to supply our services to you.

2.5 Should you open or establish any new or additional Portfolios with us, or ask us to provide you with a new or additional service, we may require you to provide us with some or all of the information referred to in Term 2.4, even where you have done so in relation to another

Portfolio or service. Our services in relation to the new or additional Portfolio, or the new or additional services, will commence on the date we notify you.

2.6 All communications with you or any person appointed by or on your behalf will be conducted exclusively in English.

3. Client categorisation

3.1 We are required to categorise you for the purposes of the FCA Rules. Unless we have notified you in writing that we intend to categorise you in some other way, we will categorise you as a retail client. As a retail client you are afforded the maximum protections available under the FCA Rules and the regulatory system.

3.2 If we categorise you as a professional client (including those categorised as per se professional clients under the FCA Rules, such as other authorised firms), you will not enjoy the same level of protection as a retail client and may ask to be re-categorised as a retail client. We may agree to your being re-categorised as a retail client, but we are under no obligation to do so.

3.3 Unless we tell you otherwise, the categorisation which we apply to you will apply to all of the services we provide to you.

4. Our Client

4.1 Our client is the person identified as such in the Engagement Letter. Even if we know that you have been appointed by some other person (your principal) pursuant to a power of appointment or right of nomination or other power to act on that person's behalf, we will not treat your principal as our direct or indirect client for the purposes of the FCA Rules unless specifically agreed in writing with you. So, for example, in the case of a self-invested personal pension scheme (a SIPP) or a small self-administered scheme (a SSAS), except where there is a written agreement to the contrary, the trustee of the scheme will be our client to the exclusion of the scheme member.

5. Managing your Portfolio and risk

5.1 We will manage each Portfolio with a view to achieving the Investment Objective (which is to build wealth in real terms over a minimum period of five years), within any restrictions agreed in writing between us and you. Subject to the Investment Objective and such restrictions, you agree that we, acting as your agent, shall have authority and complete discretion over

any Portfolio, without reference to you (except where indicated below), to:

a) buy, sell, retain, exchange or otherwise deal in financial instruments and investments (including (but not exclusively) units in collective investment schemes, shares in UCITs and similar investment funds, bonds, shares, exchange traded funds and derivatives, and Collective Investment Schemes which may be located outside the United Kingdom (UK) and financial instruments and investments which may include a degree of gearing);

b) effect transactions on any markets, negotiate and execute counterparty and account opening documentation, subscribe to issues of securities and other financial instruments and investments (including arranging for you to participate in underwriting such issues);

c) exercise or refrain from exercising any right in relation to investments;

d) place and withdraw cash from deposits as we think fit;

e) with your permission in writing, arrange borrowings on your behalf; and

f) otherwise act as we judge appropriate in relation to your Portfolio (and if more than one, each Portfolio) and administer the financial instruments and investments, money and other assets forming each Portfolio (or any part of each such Portfolio) and deal with all and any incidental and consequential matters arising from or in relation to such services.

5.1.1 the Investment Objective relating to each Portfolio and any restrictions or limitations imposed upon the exercise of our discretion and the level of risk you are prepared to accept (together Investment Preferences) will be set out in our Letter of Engagement.

5.1.2 you undertake to notify us immediately should there be any change in the Investment Preferences. Material changes must be given or confirmed in writing.

In particular, no change to the base currency, investment objectives, restrictions or level of acceptable risk applicable to a Portfolio will be valid and binding on us until we have notified you of our acceptance of such a change in writing.

5.2 Your money will be invested in the market as soon as practicable after receipt. Once constructed, the

performance of your Portfolio will be actively monitored with assets being sold or bought as appropriate. The sector/investment exposure will change with any ongoing alterations to the adopted risk profile. Purchases and sales will therefore occur in line with prevailing circumstances. You are responsible for informing us of changes, between reviews, in your attitude to risk, which may have an effect on the (management of the Portfolio. Changes in your attitude to risk should be confirmed in writing or by signing a new agreement.

5.3 We reserve the right to decline to accept any proposed change in the Investment Preferences, for example if we believe it would prevent us from providing a proper level of service to you.

5.4 You understand that you will not benefit from any rights of cancellation or withdrawal under the FCA Rules where the financial instruments and investments are acquired by us for you on a discretionary basis.

5.5 Investment advice.

5.5.1 When making a personal recommendation to you we will take reasonable steps to ensure that the recommendation is suitable for you based on the information you have given to us. You may decide whether to disregard our advice, in whole or in part, or to act upon it by instructing us to effect a transaction on your behalf.

5.5.2 If we have agreed to categorise you as a professional client, we are entitled to assume that, in relation to the products, transactions and services for which you are so classified, you have the necessary level of experience and knowledge to understand the risks involved in the transaction and are financially able to bear any investment risks associated with your investment objectives but if so required by the FCA Rules we may assess whether or not the transaction is appropriate.

6. Information about you

6.1 Notwithstanding that you alone are our Client, we may nonetheless communicate with, and provide information concerning a Portfolio to, any person with whom you permit us to share this information, and take account of any directions they may give us in relation to the management of any Portfolio. We will act on instructions given to us by anyone we believe to be properly authorised by you regardless of the manner in which it has been given and (unless we have received written notice to that effect) regardless of whether or not

you may have withdrawn that person's authority. If you are appointing another person to give us information, it will be your responsibility to ensure that only those with appropriate authority give information on your behalf.

6.2 In exercising our discretion or advising and making recommendations to you, we will make use of information from a variety of sources which we believe to be reliable. Such information may, however, be incomplete or unverified. We will select from it such information as we consider forms an appropriate basis for the exercise of our discretion or our advice or recommendation.

6.3 We are required by Her Majesty's Revenue and Customs (HMRC) to report to them about payments made to and from US persons, in order for HMRC to pass the information on to the US Internal Revenue Service under the terms of the US Foreign Account Tax Compliance Act (FATCA).

A US person will be:

6.3.1 a US citizen (wherever currently resident), or US resident with lawful permanent resident status (Green Card holder);

6.3.2 a person with a US birthplace;

6.3.3 a person with a US residential address, or a US correspondence address (including PO boxes);

6.3.4 a person with a current US telephone number

6.3.5 a person with a US address who holds power of attorney over a Portfolio;

6.3.6 a person that has issued standing instructions to transfer funds to an account maintained in the US.

You will be required to let us know, both at the commencement of the Portfolio and on an ongoing basis, if you are or become a US person under the above definition. The definition of US person will also include Corporate entities.

6.4 As required under the terms of the Common Reporting Standard, Bordier UK is obliged to report annually to HMRC to give details of Portfolios held by individuals who are citizens of countries other than the UK, or those who are resident in countries other than the UK. HMRC may then pass this information to the tax authorities of those countries.

You will therefore be required to let us know, both at the commencement of the Portfolio and on an ongoing basis, if you are or become a citizen of a country other than the UK, or if you become tax resident in a country other than the UK.

7. Limitations on our obligations to you

7.1 Bordier UK accepts responsibility for loss to the Customer to the extent that such loss is due to the negligence, willful default or fraud of itself or any Associate it may appoint for the performance of its services, or that of its or their employees.

7.2 Without prejudice to Term 7.3, neither Bordier UK nor any Associate shall otherwise be liable for any loss to the Customer including (without limitation):

7.2.1 any indirect or consequential loss or special damages, howsoever arising;

7.2.2 any loss of profit or loss of opportunity you may suffer as a result of any exercise of our discretion, or any other benefit you might have received or enjoyed;

7.2.3 the solvency, acts or omission of any third party appointed for the purposes of these Terms, or with whom they transact business on the Customer's behalf including, but not limited to, SEI, any other Custodian, any counterparty, broker, dealer, market-maker, bank, information provider or other third party, but we will make available to you, when and to the extent reasonably so requested and at your expense, any rights that we may have against any such person; or

7.2.4 any cost, loss, damage, liability or expense you may suffer or incur arising from, or relating to, our exercising our discretion which is based on incomplete or inaccurate information about your personal and financial circumstances.

7.3 Nothing shall exclude any liability of Bordier UK to the Client arising under the Financial Services and Markets Act 2000, any regulations made under it, the Pensions Act 1995 or the FCA Rules.

7.4 We will exercise our discretion or, where appropriate, advise and make recommendations to you separately in respect of each Portfolio. If we pursue or recommend an investment strategy or acquire a financial instrument or investment in relation to one Portfolio, this does not imply that we consider it suitable for any other Portfolio or any other client.

7.5 We are not obliged to bring all or any information received by us to your attention (even if the information concerned proves to be material to you or to any advice we may give or recommendation we may make).

7.6 In the event that any claim is made by or against us or any of our directors, officers, employees or agents against or by any third party in connection with business which we carry on for or with you, you hereby agree to provide us with any assistance which we may reasonably request.

7.7 We do not carry out or provide any advice on general financial planning; therefore we cannot provide you with any specific advice on your overall financial position. You and your adviser (where relevant) are responsible for managing your financial planning requirements; therefore, the scope of our services is restricted to the provision of discretionary management services for this portfolio.

7.8 Where you do not have an adviser, you should bear in mind whether you understand the risk of loss involved in this type of investment and whether you have the necessary financial resources to bear such losses. You should consider the following points: whether you are prepared to accept some fluctuations in the value of your investments, whether you are investing for the long term or anticipate making capital withdrawals, whether you have sufficient income to cover your outgoings and whether you have sufficient funds for an emergency. If you are in any doubt as to whether the Portfolio management services are suitable for you, we suggest you consult a financial adviser.

7.9 We do not provide advice on any aspect of pensions, drawdown, pension transfers and income drawdown. Where we have been instructed by clients who have received external specialist advice we take no responsibility for that advice. Where there is a requirement for annual planning reviews, especially once a pension goes into drawdown or a managed annuity, those reviews need to be carried out by your Independent Financial Adviser (IFA). We are unable to provide such reviews and can accept no liability if the reviews are not carried out.

7.10 We aim to manage the Portfolio in a tax efficient manner however, we do not hold ourselves out as having the necessary expertise to assess the tax consequences of implementing any investment decision made or recommended by us and we do not accept responsibility for the tax consequences of the acquisition or disposal of any financial instrument or investment whether on a

discretionary or advisory basis or anything done within the scope of our authority. You and your tax adviser (if any) are solely responsible for managing your affairs for tax purposes.

7.11 We will not be liable if your investment objectives and any restrictions or limitations imposed on our discretion are breached as a result of any events or circumstances outside our reasonable control including, but not limited to, changes in the price or value of financial instruments and investments and assets forming part of your Portfolio, brought about solely through movements in the financial markets.

7.12 Neither the relationship between you and us, nor the services we provide to you, will give rise to fiduciary or equitable duties on us or any of our directors, officers, employees or agents or oblige us or them to accept responsibilities more extensive than those set out in these Terms.

8. Risks

8.1 Investing carries a number of risks and it is important that you are aware of these and fully understand them. A copy of our risk warnings and guidelines on investment risk has been provided to you. While not part of the Terms, these provide a useful summary of some of the risks associated with investment. You confirm you have read and understood the risk warnings and guidelines.

8.2 When investing your money it is important to understand that the investments within the Portfolio should be viewed collectively as part of a diversified Portfolio rather than in isolation. Investments viewed on a standalone basis may be considered as higher risk relative to certain other investments; however when viewed in the context of the whole Portfolio serve to increase the diversification of the Portfolio which in turn will reduce the overall risk within the Portfolio.

8.3 Without prejudice to any of the matters covered by Term 8, we shall not be held liable for any loss incurred by you arising from changes in market conditions.

8.4 Investments can fluctuate in value, and can therefore fall as well as rise; this means that you may not get back the amount invested and if the investments yield an income, it is important to remember that the income may also fluctuate in money terms. Past performance should not be seen as an indication to future performance.

Movements in the price of some investments may be more volatile than the movements in the price of the underlying investments.

8.5 We invest in funds (also known as collective investment schemes). You should bear in mind that the charges for acquiring some of these investments are not made uniformly through the life of the investment, but are loaded onto the initial cost of the investment; however, due to our relationships and research we seek to minimise these charges and often avoid them.

We may invest in certain funds that only deal periodically (i.e. they do not deal every day), which make them less liquid than our other investments. Where these assets are held by us, it can take us several months to realise the cash when selling.

We may invest in certain hedge funds that can only be accessed by certain types of investor such as ourselves due to the complexity of the instrument. This could mean that if you need to transfer your Portfolio to a third party at some point in the future, these assets may not be transferable and may therefore have to be sold.

8.6 If we buy or sell an asset in a currency different to the one used for valuing your Portfolio, then we may need to make a foreign exchange transaction. A movement in exchange rates may have a separate effect, favourable or unfavourable, on the transaction.

Where we hold an asset for you that is denominated in a different currency to the one used for valuing your Portfolio, it will have an exposure to exchange rates.

8.7 Your Portfolio may contain structured capital-at-risk products, which provide an agreed level of income or growth over a specified investment period and display the following characteristics:

8.7.1 you are exposed to a range of outcomes in respect of the return of initial capital invested;

8.7.2 the return of initial capital invested at the end of the investment period is linked by a pre-set formula to the performance of an index, a combination of indices, a 'basket' of selected stocks (typically from an index or indices), or other factor or combination of factors; and

8.7.3 if the performance in (8.7.2) above is within specific limits, repayment of initial capital invested occurs but if not, you could lose some or all of the initial capital invested.

Where these products are held in your Portfolio you should be aware:

a) that the return of initial capital invested at the end of the investment period is not guaranteed and therefore you may get back less than you originally invested;

b) that the amount of initial capital repaid may be geared, which means that a small percentage fall in the related index may result in a larger reduction in the amount paid out to you;

c) that any maximum benefit may only be available after a set period;

d) that movements in the relative index or basket of securities, either up or down, will have an impact on the trading price of the product and therefore you may not get back the amount invested;

e) that the initial capital invested may be placed into high risk investments, such as non-investment grade bonds;

f) that the amount of income or growth may depend on specified conditions being met; and

g) that you may lose some or all of the capital. If there is anything in this section that you do not understand, please clarify this with us.

9. Force majeure

9.1 We and our appointed Custodians shall have no liability for any circumstance or failure to provide any of the services if such circumstance or failure results wholly or partly from any event or state of affairs beyond our reasonable control (including, without limitation, any failure of communication, settlement, computer or accounting system or equipment, any failure or interruption in the supply of data, any political situation or terrorist action, the suspension or limitation of trading by any exchange or clearing house or any fire, flood or other natural disaster) and, in such circumstances any of our obligations shall be suspended pending resolution of the event or state of affairs in question.

10. Your instructions to us

10.1 You may give us instructions in person, in writing, by telephone, by facsimile transmission and by email. We may, however, require that instructions given by telephone, facsimile or email are confirmed in writing.

10.2 You should be aware that communication by email is not secure. For your protection, we do not encourage the use of email for dealing and payment instructions. If you choose to give dealing and payment instructions by email you do so at your own risk.

10.3 Any instruction in writing should be sent to our address (see paragraph 1.2) or facsimile number or such other address or number as may be notified by us to you. Should we be required to communicate with you in writing we will send the communication to you at the address agreed with us.

10.4 If you notify us that a person is authorised to give instructions on your behalf, you will be responsible for all instructions received by us from that person. You must notify us in writing in order to withdraw authority for a person to act on your behalf.

10.5 The following provisions shall apply to you if you fall within the categories specified below:

10.5.1 joint account holders shall be jointly and severally liable for the account and we may act on information and instructions given by any holder to the exclusion of every other holder and may discharge our obligations to make any payment or account to all such holders by making such payment or account to any one or more of them and (unless otherwise specified in writing) on the death of any holder the account will pass to the other holder(s);

10.5.2 the trustees of any trust shall be regarded as our Client (as opposed to any beneficiary) and shall be jointly and severally liable to us even though we may (in our absolute discretion) provide information to and consult with any person who we reasonably believe is a beneficiary of any such trust;

10.5.3 in relation to corporate Clients we may rely on the instructions of any director or other Officer or person whom we reasonably believe to be authorised to give instructions on behalf of the company or other corporate vehicle: and

10.5.4 all the partners of any partnership which is our Client shall be jointly and severally liable to us and we may act on the instructions of any one partner to the exclusion of every other partner and may discharge our obligations to make any payment or account to all such partners by making such payment or accounting to any one partner.

10.6 We record all telephone calls and keep a record of all other verbal communications.

11. Order execution and suitability

11.1 We will procure dealing services from a third party whether they result from the exercise of our discretion or are placed by you and whether or not in response to advice we have given or a personal recommendation we have made on your behalf via our appointed Custodian. The FCA Rules require us to obtain your express consent before we or our appointed Custodian execute some types of order on your behalf outside a regulated market or multilateral trading facility (a form of automated trading system). By allowing us or our appointed Custodian to execute orders outside regulated markets and multilateral trading facilities you will allow us to use a wider range of execution venues to get the best result for you in executing orders on your behalf. This may include our matching your orders with the orders of other clients. In signing the Discretionary Management Agreement, you consent to these arrangements.

11.2 Our Order Execution Policy is detailed in section 28.

11.3 A summary of SEI's 'Best Execution Policy' has been provided to you as part of the Additional Information document and you confirm that you have read and understood it. While not part of these Terms, it provides a summary of how SEI has agreed with us to act with a view to achieving the best terms for you when executing orders on your behalf. We have internal processes and procedures in place to periodically review SEI's Best Execution policy taking into account the criteria described above to provide you with the best results for your orders on a consistent basis.

11.4 Our policy on timing execution is to aggregate orders where possible. All instructions whether by telephone or email will be dealt on the next available submission point. Aggregation of orders may result in you obtaining on some occasions a more favourable price than if your order had been executed separately. More details on our dealing policy can be obtained on request.

11.5 Although we do not provide foreign exchange services, there may be occasions where we are requested to make a payment in a currency other than that in which your investments are denominated. Therefore to ensure that the transaction takes place promptly without incurring additional costs to our Client in comparing rates from other providers, our appointed Custodian will use their nominee bank's services to carry out the exchange at the prevailing rate. We reserve the right to pass on to you any charges made by the appointed Custodian's nominee in respect of such a service being transacted.

12. Disclosure of remuneration and adviser charges

12.1 We are entitled to receive from you the fees and charges set out and which are incorporated in these Terms. These fees will be paid at the times (and, if specified, in the manner) set out in that agreement.

12.2 In addition to any commissions, fees and charges due to us you will be responsible for the payment of:

12.2.1 any stamp duty and other duties, taxes of whatsoever nature, impositions and fiscal charges, in each case wherever in the world imposed;

12.2.2 third-party brokerage, clearing and settlement fees;

12.2.3 transfer fees;

12.2.4 registration fees;

12.2.5 bank charges;

12.2.6 commissions and underlying investment charges, which may apply dependent upon the assets in the Portfolio; and

12.2.7 all other liabilities, charges, costs and expenses payable or incurred by us on your behalf and any applicable value added tax or similar charge.

12.3 In addition you will reimburse us for any costs and expenses incurred by us which are directly attributable to you (for example, the costs of providing information to third parties such as accountants or auditors).

12.4 We will be entitled to set off any amount due to you against any amount you owe us, paying you the resultant net balance. If the cash balance we hold on your behalf is insufficient to meet sums due to us, or to meet any safe custody or nomination charges due to third parties appointed by us on your behalf, you agree that we may sell financial instruments and investments or other assets belonging to you to make cash available to meet such fees and charges.

12.5 Nominee charges applied by our appointed Custodian are charged within your management fees.

12.6 Where our fees are calculated by reference to the value of your Portfolio, the fees payable will depend on fluctuations in the financial markets on which the financial instruments and investments in your Portfolio are traded. Such fluctuations are outside our control.

12.7 If you fail to pay any amount due to us on the due date, we reserve the right to charge interest at the rate of five per cent (5%) over 3-month SONIA calculated over a 360 day year and compounded monthly from the date payment fell due until the date of actual payment.

12.8 We may review our fees and charges for providing our services at any time and shall give you not less than one month's notice of any changes to them.

12.9 Bordier UK no longer accepts any form of trail or renewal commission. Bordier UK will ensure that any minor non-monetary benefits received are applied for the benefit of all clients and do not benefit Bordier UK. Bordier UK does not pay for research, except general macro-economic research. Any research received relating to particular assets is unsolicited and Bordier UK does not act on it.

12.10 Adviser charges:

12.10.1 any initial introductory charges payable to your adviser must be agreed between you and your adviser. In order to enable such payments to be made from your Portfolio to your adviser, we shall require your written authority or confirmation of your agreement to pay such amounts from your Portfolio to your adviser.

12.10.2 any ongoing adviser charges: These must be agreed between you and your adviser. In order to enable such payments to be made from your Portfolio to your adviser we shall require your written authority or confirmation of your agreement to pay such amounts from your Portfolio to your adviser. We will continue to direct the Custodian to pay such amount until you cancel the arrangement in writing.

13. Client money and assets

13.1 Insofar as these Terms relate to services to be provided by SEI, those details have been provided by SEI in their Terms and Conditions for Custody services. Whilst Bordier UK has taken care in its selection of a Custodian, Bordier UK has not taken steps to verify the accuracy of the information SEI have provided and do not guarantee its performance.

Without prejudice to Term 25.4, Bordier UK makes no representation, nor gives any warranty or assurance as to any matter relating to the services to be provided by SEI. Bordier UK will use its best endeavours to recoup any losses but is not liable for such losses.

13.2 A cash balance will be maintained in order to cover ongoing management fees, if any interest is payable. Any uninvested client money (i.e. money not immediately required to settle a transaction), will attract interest, at a fixed rate, that will be calculated on a daily basis and credited to your account on a monthly basis. The current rate and the interest rate policy can be found at: www.bordieruk.com/statements-and-risk-warnings/#interest-paid-on-cash-balances.

13.3 Whilst care is taken in selecting and appointing Custodians, in the event of default by a custodian, Bordier UK will use its best endeavours to recoup any losses but is not liable for such losses.

13.4 We will carry out annual reviews on our appointed Custodians to ensure that they exercise due skill, care and diligence in the selection, appointment and periodic review of any credit institution or bank (other than a central bank) where your money is held or deposited and the arrangements for holding your money but we shall not be responsible for any acts, omissions or default of any such credit institution or bank.

13.5 Term 21.4 gives details of the way in which complaints may be made regarding SEI and Term 22.2 gives details of the way in which you may claim compensation if SEI's obligations cannot be met.

13.6 Client money may be deposited with Bordier & Cie, our group bank, and any other approved bank in accordance with the FCA Rules.

13.7 Nothing shall prevent us agreeing on alternative arrangements for holding client account balances for you, subject always to the FCA Rules.

13.8 We may undertake a transaction for you that involves your money or financial instruments and investments being passed by us to any third party such as an exchange or market, clearing house, broker, and intermediary or settlement agent located either in the UK, or in a jurisdiction outside the UK, which may also be outside the European Economic Area (EEA).

13.9 Where your money is held in a credit institution or bank outside the UK or EEA or your money or financial instruments and investments are passed from a third party such as an exchange or market, clearing house, broker or intermediary outside the UK or EEA, the legal and regulatory regime applying to such person may be different from that of the UK or the EEA and your rights in relation to it may therefore differ, particularly in the event of a default or insolvency.

13.10 Where you have appointed your own Custodian, we will not arrange for your assets or money to be held by any Custodian and the Client Money Rules will not apply to us.

14. Custody

14.1 Bordier UK will procure that cash and other asset forming part of the Portfolio will, unless otherwise agreed with you, be protected by being registered:

14.1.1 in the name of our nominee company; or

14.1.2 by SEI as set out in the attached SEI terms; or

14.1.3 in the name of our group bank, Bordier & Cie; or

14.1.4 in your name where this has been requested by you and agreed with us.

14.2 You hereby direct the Custodian to comply with any instructions of Bordier UK, including directions under Terms 14.13 and 19.4.

14.3 Non-UK investments may be held with a custodian outside the UK or the EEA. Non-UK financial instruments and investments may be registered either in the name of our appointed Custodian or in our name but only where we have taken reasonable steps to determine that it is in your best interests to do so or it is not feasible to do otherwise because of the nature of the applicable law and market practice (and by agreeing in writing to these Terms you consent to such registration).

14.4 You should be aware that there may be different settlement systems, legal and regulatory requirements in jurisdictions outside the EEA. In addition, there may be different practices in relation to the separate identification of safe custody investments. Your financial instruments and investments may not be segregated from financial instruments and investments belonging to us, our appointed Custodian or their appointed Sub-Custodians and therefore may be subject to third party claims made against us or our appointed Custodians in the case of default or insolvency.

14.5 You acknowledge that any financial instruments and investments held with our appointed Custodians or depository may be subject under the applicable laws to a right of security, lien, set-off, retention or sale or other encumbrance in favour of such custodian or depository.

14.6 Financial instruments and investments registered or recorded in our name (for example when arranging

for you to acquire and hold financial instruments and investments in the United States it may be necessary for us to hold these in our name to comply with US tax requirements) or the name of our appointed Custodian or a relevant nominee company may be held in an omnibus account or otherwise be pooled with those of one or more of our other clients. Accordingly, your individual entitlements may not be identifiable by separate certificates, physical documents or equivalent electronic entries on the register. In the event of an irreconcilable shortfall following any loss by or default of the Custodian responsible for such pooled investments, you may not receive your full entitlement and may share in the shortfall pro-rata. A further effect of pooling can be that following an allocation or share issue that favours the small investor, your allocation may be less than it otherwise would have been had your financial instruments and investments been registered in your own name.

14.7 Without prejudice to the provisions of Term 7, we will exercise due skill, care and diligence in the selection, appointment and periodic review of any Custodian and the arrangements for holding and safekeeping of your financial instruments and investments.

14.8 Our appointed Custodians will claim and receive dividends, interest payments and other entitlements accruing and will (unless you wish to exercise such rights, in which case you must notify us in sufficient time):

14.8.1 exercise conversion and subscription rights as they shall see in their absolute discretion as appropriate for the event subject to specific instructions provided by us;

14.8.2 deal with takeovers or other offers or capital reorganisations;

14.8.3 exercise voting rights (where we are able to exercise such rights).

14.9 To avoid unnecessary administration costs we will not, except at your specific request, claim special rights (such as money-off vouchers) attaching to financial instruments and investments and, if we do, we may charge an additional administration fee to cover this.

14.10 Dividends, interest and other rights and payments may be received by our appointed Custodians net of local withholding or similar taxes or deductions and may, if required to do so to comply with legal or regulatory requirements, withhold or deduct tax or other amounts from dividend or interest payments received. You

shall reimburse us with any costs we or our appointed Custodians may incur in complying with our or its obligations to apply withholdings or deductions. For the avoidance of doubt, responsibility for reclaiming amounts withheld or deducted shall remain with you and not us or our appointed Custodians.

14.11 Where financial instruments and investments are held on a pooled basis, from time to time various amounts may arise in relation to your financial instruments and investments (for example, following certain corporate actions) which would not have arisen if the financial instruments and investments had been registered in your own name. You may not be entitled to any such additional amounts. Where corporate events (such as partial redemptions) affect some but not all investments held in pooled account, the Custodian will allocate the investments in a fair and equitable manner as it considers appropriate (including, without limitation, pro-rata allocation or an impartial lottery). We reserve the right to refuse to hold any financial instrument or investment on your behalf, but we will advise you of our decision to do so and the reasons for such decision unless precluded from doing so owing to any legal or regulatory constraints.

14.12 Bordier UK may direct the Custodian to retain a lien or security interest over any assets of any Portfolio to the extent that any costs, losses or claims, for which the Client is obliged to indemnify Bordier UK, remain unpaid.

14.13 Where you have chosen your own custodian and we therefore do not hold your client assets or client money, then the FCA rules for client assets will not apply to us.

15. Client's warranties and indemnity

15.1 You warrant and agree that cash, financial instruments, investments and other assets forming part of your Portfolio(s) are and will continue to be beneficially owned by you or, if you are a trustee, held by you as trustee free from any lien, charge or other encumbrance and you are free to deal with such cash, financial instruments and investments and other assets subject only to any restrictions or investment limitations you may impose on us.

15.2 You warrant that you have full power and capacity to enter into this Agreement and the transactions contemplated hereunder. You further warrant that you have full power and capacity to employ Bordier UK and authorise Bordier UK to effect transactions.

15.3 You undertake not to authorise any third party to deal on behalf of the Portfolio in place of Bordier UK.

15.4 You warrant that any information which you have provided to Bordier UK or any competent authority is complete and correct. You will notify Bordier UK and where relevant any competent authority promptly if there is any material change to such information. You will provide such other relevant information as Bordier UK may reasonably request from time to time in order to enable Bordier UK to comply with its regulatory and contractual obligations or such further information as may be properly required by any competent authority, in each case promptly following such request, and will ensure that such information is complete, accurate and updated where necessary.

15.5 Except insofar as the same may result from the negligence, wilful default or fraud of Bordier UK, any Associate or any of its or their employees, you undertake to indemnify us, each of our Associates, or any of our or their directors, officers, employees and agents (Indemnified Persons) on an after-tax basis against any liabilities, reasonable costs and expenses (including legal costs) and all duties and taxes (other than our corporation tax) which are caused by:

15.5.1 the provision by us of our services to you;

15.5.2 any material breach by you of any of these Terms;

15.5.3 any default or failure by you in performing your obligations to us;

15.5.4 any defect in title or any fraud or forgery in relation to any financial instruments or investments delivered to us by you or on your behalf or in relation to any instrument of transfer in relation to such financial instruments and investments (including any electronic instruction) purporting to transfer such investments;

15.5.5 all and any liability, loss, damage, fines, penalties, claims, proceedings, charges, costs and expenses we may incur or suffer from relying on any wrong, incomplete, inaccurate, or misleading information supplied by you or on your behalf; and

15.5.6 any action properly taken by Bordier UK pursuant to the Custody Terms.

You will however be entitled to a licence to copy and reproduce such document or report for the purposes of submitting returns to Her Majesty's Revenue and Customs, the FCA or any other competent authority.

18. Reporting

18.1 In accordance with the FCA Rules, we will provide you or your agent with a statement including a valuation of each Portfolio entrusted to us at least quarterly and at such other intervals as may be agreed between you and us.

18.2 Each statement will include a performance measure against a suitable benchmark. The use of such a benchmark does not imply that in managing your Portfolio(s) we will achieve or exceed such benchmark. We will use reasonable endeavours to send or make each statement available to you within 25 business days (that is any day which is not a weekend or public or bank holiday in the UK) of the statement date.

18.3 We also offer a web reporting and iOS/Android services (the Online Service) which enables you to check the progress of your Portfolio online. If you apply for the Online Service:

19. Termination

19.1 Our appointment may be terminated at any time, without penalty, by either of us giving the other notice in writing to take effect immediately upon receipt or as otherwise specified in the notice.

19.2 On receipt or issue of a notice of termination and subject to these Terms we will procure (at your expense):

19.2.1 the payment to you or your nominee of all sums of money held within the Portfolio(s); and

19.2.2 the transfer to you or your nominee of all financial instruments and investments, certificates and other documents of title relating to such financial instruments and investments and other assets forming part of the Portfolio; in each case, in accordance with the reasonable instructions you have given us. If required by you we will liquidate all financial instruments and investments forming part of the Portfolio but you accept that in the event of your requiring the immediate liquidation of such financial instruments and investments they may not be capable of being realised at the then prevailing market prices.

19.3 The termination of our appointment will not affect the completion of any orders initiated by us prior to any notice of termination being received by us.

19.4 On termination, we may direct the Custodian (being SEI or any other Custodian) to retain and/or realise

any assets of any Portfolio as may be required to settle transactions already initiated, and to pay any outstanding liabilities of the Client in either case without prior notice to the Client. If there is a dispute as to the payment of fees to Bordier UK, the Client may require the disputed amount to be held in an escrow account pending resolution of the dispute.

19.5 We shall be entitled to a due proportion of any periodic payments for our services up to and including the date on which any notice of termination is effective, calculated on a daily basis, and to retain such amount as may be reasonably necessary from any money we transfer to you or your nominee to cover such fees and meet any costs we have incurred or may incur in transferring your cash, financial instruments and investments and other assets to you or your nominee and generally in giving effect to the termination of our appointment. We shall pay the balance of such amount to you when all your obligations to us have been settled or otherwise discharged.

19.6 Residual amounts of £25 and under due to you may incur a £25 ad hoc payment fee. In these instances the value and the fee would be netted off and no payment would be made to you.

19.7 The termination of our appointment will not affect any outstanding obligation that either of us may owe the other.

19.8 You may at any time withdraw money or financial instruments and investments from any Portfolio entrusted to us at any time on reasonable notice and the provisions of these Terms will insofar as applicable, apply to such reduction or withdrawal. If following any such withdrawal we reasonably believe that the value of the cash, financial instruments and investments and other assets forming your Portfolio no longer justify our appointment we will give you notice of termination of our appointment.

19.9 In the event of your death, your Portfolio(s), will be transferred to your personal representatives as appointed under probate. We will not be able to take any action on your Portfolio(s) until we have received the death certificate and/or such other information as may reasonably be required. 20. Default

20.1 Should you fail to pay any amount at the time (or times) when it is due and in the manner required or fail to perform any obligation you may have, or fail to provide us with information or instructions when required, we may then or at any time thereafter with or without notice to you take all and any action we may reasonably consider appropriate to protect our interests and (if applicable) your interests. This action may, without limitation, include our selling financial instruments and investments purchased for you or purchasing financial instruments and investments for you. We shall not be liable to you for any loss, cost, damage, expense or liability you may incur as a result of our so acting.

20.2 To avoid any misunderstanding we shall also have the right to retain any money held by us and instruct our agents to do the same and to pay and apply such money to offset any liability you may have to us until such time as we are reasonably satisfied that all such liabilities have been discharged.

20.3 In the event of a petition being presented for your bankruptcy or, in the case of a company, your winding up, or in the case of a partnership, your dissolution or you apply to make a voluntary arrangement with creditors or taking any other steps for relief under the Insolvency Act 1986 or appoint a receiver, administrator or manager over you or any of your assets, or any similar action being taken under any equivalent law in any other jurisdiction it shall be deemed that we shall have taken the action contemplated by Term 20.1 immediately prior to the happening of such event.

22. Investor compensation

22.1 We are covered by the Financial Services Compensation Scheme (FSCS). Compensation may be available from that scheme if we cannot meet our obligations to you. The amount of compensation to which you may be entitled under the Scheme depends on the type of business and the circumstances of the claim. Most types of investment business are eligible for up to £85,000 per person per claim. Full details of the arrangements under the FSCS are available on their website at: www.fscs.org.uk.

22.2 In the event that SEI or any bank is unable to meet any of its liabilities, compensation may be available to you under the FSCS, as described in Term 22.1.

23. Amendment

23.1 You agree that we may amend or extend any of these terms and conditions at any time by written notice to you describing the relevant changes. Any change will become effective on such date specified in our notice which will be at least ten (10) business days after it has been sent to you unless the amendment is required by law or regulatory requirement in which case such amendment shall come into effect on the date we specify, or if no date is specified, immediately.

23.2 No amendment will affect any outstanding order or transaction or any legal rights or obligations which may have already arisen prior to the date on which any amendment or extension of these Terms takes effect.

25. General

25.1 Our obligations to you shall be limited to those set out in these Terms and, in particular, we shall not owe any wider duties of a fiduciary nature to you.

25.2 Our directors, officers, employees and agents shall have the right to enforce any of these Terms expressly and impliedly for their benefit. No person other than you shall have any right to enforce or benefit from any Term or Terms pursuant to the Contracts (Rights of Third Parties) Act 1999. The consent of persons entitled to the benefit of this Term 25.2 shall not be required for any alteration, deletion, amendment, or extension of these Terms.

25.3 Any failure by us (whether continued or not) to insist upon strict compliance with any of these Terms shall not constitute nor be deemed to constitute a waiver by us of any of our rights or remedies. The rights and remedies conferred upon us by these Terms shall be cumulative and the exercise or waiver of any part thereof shall not preclude or inhibit the exercise by us of any other additional rights and remedies.

25.4 These Terms represent the entirety of the terms and conditions on which we provide the Services to you and which supersede any prior written or oral agreement,

understanding or arrangement between us or any representation or other assurance made by Bordier UK (together, the Representations). The Client irrevocably and unconditionally waives, to the maximum extent permitted by law, all rights and remedies available to it in respect of any Representation save that nothing in this Term shall operate to limit or exclude liability for fraud.

25.5 If any term, condition or provision of these Terms (or any part of them) is held by any court of competent jurisdiction to be void or unenforceable in whole or in part, the other terms and conditions shall continue in full force and effect.

25.6 These Terms shall be governed by English law and you hereby irrevocably submit to the non-exclusive jurisdiction of the courts of England.

25.7 We shall maintain all records relating to transactions for a period of seven years, unless obliged by law, or by our regulator (the FCA) to hold the records for another period as required by them. If you wish to have access to your records this can be arranged. We will also supply to you on demand any copies of contract notes, transaction details; however, this will incur a charge.

26.1 The information to be provided will consist of details concerning the client's investments managed by us. The scope and content of the information may vary from time to time.

26.2 Clients may be authorised to use the system as well as other parties nominated by the Company's clients, such as a client's professional advisers or a trusted relative. The Company may decline to authorise a user without giving a reason and similarly may withdraw authorisation without giving a reason.

26.3 We shall use our best efforts to keep your information private and confidential but it is understood that the nature of the Internet is such that certain inherent security risks exist. We shall only share your data with third parties where necessary; examples of such third parties include our technology partners and government bodies which may legally be able to require disclosure. We shall not be liable to you for any loss you may incur as a result of information provided by us, our subcontractors, or third parties, unless we ourselves have been negligent in some material manner and you have acted prudently and reasonably. For example, we do not think it would be reasonable to rely on a sudden unexpected increase in the value of an investment without first checking. Users should be aware that the pricing information on some stocks is revised less frequently than on others so that real world changes may not be reflected in the data provided.

26.5 Cookies are software objects that may be placed on your computer system by a web site. We shall only use cookies to store information to enhance our service to our users. We may collect by this means or in other ways information concerning your use of the web site or on your system and software such as the version of Windows or the internet browser you are using. You will be required to change your passwords on your first log in, to something more memorable. You should not disclose your passwords to anyone else, as anyone who has your passwords will be able to use the system as if they were you. You can request that a trusted relative, associate, or professional adviser be authorised on the system. If you become aware that someone else has knowledge of your passwords, you should notify us immediately by telephone, fax, or email. If you forget your passwords, you should notify us by email.

26.7 The user ID will default to your email address and we will The user recognises that the service is provided by the company solely for the purpose of informing the Users of matters concerning client's investments. 26.8 We shall, in conjunction with our technology partners and other third-party suppliers, provide details of client's investments managed by us including quantities, costs, and values. Where available,

performance histories and news items will be made available. Most prices are available daily but some investments have less regular or less frequent pricing; when financial markets are closed, pricing information will not be available. Changes to client's investments will normally be reflected in the data available on the site within one business day. Access to the site should normally be available at all times of the day and night. Where maintenance work is necessary, we shall try to minimise any adverse effect.

26.9 We shall communicate with each other via email except where security issues require otherwise. It is important therefore that you keep us notified of any change in your email address. If we become aware or believe that emails to your last known address are not being delivered or received, we may suspend or cancel the service. Emails to us concerning normal customer support issues, such as a forgotten password or adding a trusted person to the system, should be directed to webservice@bordieruk.com. Emails concerning technical issues such as errors in the data should be sent to the same address. Other issues, such as security concerns, should be handled where possible by telephone or fax.

26.10 We may vary the terms under which this service is provided at any time and notification of such change will be made by email to your last known email address.

27. Conflicts of Interest Policy

27.1 In accordance with the FCA Rules we have policies in place to avoid or manage any conflict of interest which might arise between ourselves and any of our clients or between our clients.

Bordier UK is required to have a Conflicts of Interest Policy to ensure that any possible conflicts between our interests and those of our clients are properly handled.

This disclosure statement summarises potential conflicts and details how we address them.

27.2 Wherever we can practically do so we will endeavour to arrange our business and manage our affairs in such a way so as to avoid any conflicts of interest. This is not always possible and we have identified a number of areas where we may be unable to avoid or manage a conflict (or potential conflicts) fully and thus we are advising you of this fact. The general nature and/or source of these potential conflicts are:

27.2.1 we, or our directors, officers and employees, may have bought or sold a particular financial instrument or

investment and/or have a view on a particular financial instrument or investment or issuer of investments.

27.2.2 we may combine your orders with the orders of other clients. Such aggregation may operate on some occasions to your advantage and on some occasions to your disadvantage. Where orders have been aggregated, they will be allocated to clients on a pro-rata basis.

27.2.3 we may pass orders to third-party brokers for execution in accordance with the third-party broker's order execution policy.

27.2.4 it is possible that one of our directors, officers or employees may be a director of a company in which we wish to invest.

27.2.5 in conducting our business, our directors, officers or employees may learn confidential information about our clients, prospective clients and third parties.

27.2.6 directors, officers or employees may be offered hospitality or gifts by service and product providers.

27.3 to manage any potential conflict we operate a number of policies and procedures as follows:

27.3.1 we have implemented a policy of independence with which our directors, officers and employees are required to disregard any information they receive or action they have taken in relation to one client when dealing with another.

27.3.2 we do not distribute investment research.

27.3.3 if one of our directors, officers or employees is a director of a company in which we wish to invest we will not invest in this company on a pro-active basis on behalf of discretionary clients.

27.3.4 we have Personal Account Dealing procedures to ensure that we do not compromise our dealing arrangements for clients.

27.3.5 our directors, officers and employees are required to disclose and in all cases must obtain approval from us before carrying out any outside business interest or employment.

27.3.6 our directors, officers and employees are required to maintain Confidentiality of all information entrusted to them, except where disclosure is required by law or authorised by you. Further, directors, officers and

employees are not permitted to use such information for their personal gain.

27.3.7 corporate hospitality and gifts must be approved before they may be accepted or given. Any gifts received by individuals or the firm are put into a lottery in which all staff take part.

27.4 Status of this Policy: This policy does not form part of our Terms of Business, is not intended to be contractually binding or impose or seek to impose any obligations on us which we would not otherwise have whether under our Terms of Business or the FCA Rules had this policy not been disclosed to you.

27.5 A summary outlining SEI's policy with regard to Conflicts of Interest is available on request.

28. Order execution policy

28.1 We are required by FCA rules to draw our Execution Policy to your attention.

28.2 We primarily provide discretionary investment management, therefore we do not usually take instructions from you as we make asset allocations on your behalf in accordance with our agreement with you and then execute orders with an appropriate counterparty.

As noted above we may need to execute orders outside of a regulated market or MTF. This would normally only be if we were undertaking a trade with the fund manager or provider. By becoming our client you are consenting to us executing orders outside of regulated market or MTF, where and when necessary.

Unusually we may take orders from you. If we do our regulatory rules require us to make public any order that you give us which has a predetermined price set by you (known as a limit order). We will normally disclose information on any limit orders to the public and market, as required by the FCA, or by the policies of the trading venues used for that transaction.

When executing an order (the purchase or sale of a security), we will take all sufficient steps to achieve best execution, which is defined as achieving the best "total consideration", taking into account the price paid or obtained for the security plus the related costs of the transaction. To achieve this we have in place procedures, which are designed to obtain the best possible result, subject to and taking into account the nature of the orders, the priorities we place upon filling those orders,

the market in question, any restrictions imposed on us by any party and in our opinion the best balance across a range of sometimes conflicting factors.

We are happy to supply details of any execution carried out for you, and will also supply this information to the FCA if and when they request it as part of their ongoing monitoring of the market.

We will also check the prices of any trades against available market data to ensure that the price is fair and consistent with similar or comparable trades.

We will take into consideration a range of different factors for an order, which include the price, speed of execution, the liquidity of the market, the size of the order, the cost of the transaction, the settlement, whether it is executed on a Regulated Market or directly with a fund manager and the best access for us to a market, e.g. where possible entry via a placing, rather than an offer. We will also take into account the nature of the financial instrument traded, but will very rarely trade in instruments other than shares.

We will exercise our discretion in determining the factors that we need to take into account for the purpose of providing best execution, having regard to the execution criteria listed below.

28.3 We owe a duty of best execution when executing orders to our clients. We consider ourselves to be placing orders either as a result of making discretionary or advisory allocations made by us or where an execution instruction is given to us that gives rise to agency obligations to you, except where your investments and money are held and controlled by a third party (for example an insurance bond). In this arrangement we will only be transmitting instructions to the third party and therefore our execution policy does not apply. Where possible we will pool allocations and execute one order for several clients for the purpose of efficiency. When executing an order, we will take into account the factors relevant to the order, including those set out above and the following execution criteria:

- a) the characteristics of the client(s);
- b) the characteristics of the order;
- c) the characteristics of financial instruments that are the subject of the order; and
- d) the characteristics of the execution venues to which that order can be directed.

We have set out below information on the criteria which determine how we select the different venues on which

we may execute your order and have identified those venues on which we will most regularly seek to execute orders and which we believe offer the best prospects for affording us best execution. You may ask us for details of venues used for trading, and we will show in your quarterly statements details of the leading venues used for trades during the period covered by that statement.

It may be necessary for us to execute orders outside of a regulated market or multilateral trading facility (MTF) (see Specific Instruction below). You should note that where we execute orders for collective investment schemes and hedge funds, we do so directly with the fund manager and therefore there is no market as such, apart from exchange-traded funds (ETFs), which are traded on a regulated market exchange.

We will allow a trading venue to publicly disclose limit orders upon receipt (see Specific Instruction below).

28.4 To the extent that you unusually provide us with a specific instruction in relation to an order or any part of that order including selecting to execute on a particular venue, in following your instructions we will be deemed to have taken all sufficient steps to provide the best possible result in respect of that order or aspect of the order. If you require your order to be executed in a particular manner and not in accordance with this policy, you must clearly state your desired method of execution when you place your order. To the extent that the specific instructions are not comprehensive, we will determine any non-specified components in accordance with this policy.

28.5 Our policy, in providing you with best execution, is to exercise the same standards and operate the same processes across all the different markets and financial instruments on which we execute orders. However, the diversity in those markets and instruments and the types of order that we may place mean that different factors will have to be taken into account when we assess the nature of our execution policy in the context of different financial instruments and different markets. For example, there is no formalised market or settlement infrastructure for unit trusts, open-ended investment companies or hedge funds, apart from exchange-traded funds (ETFs) that trade on regulated exchanges. In some markets, price volatility may mean that the timeliness of execution is a priority, whereas, in other markets that have low liquidity, the fact of execution may itself constitute best execution. In other cases, our choice of venue may be limited (even to the fact that there may only be one platform/market upon which we can execute the order) because of the nature of the order or of your requirements.

28.6 In meeting our obligation to take all reasonable steps to obtain on a consistent basis the best possible result for the execution of orders, we may use one or more of the following venue types when executing an order:

- a) UK and international brokers.
- b) collective investment schemes and hedge funds.
- c) the fund manager's administrators of the schemes.

28.7 We will take into account the following factors to determine the manner in which an order will be executed:

- a) price;
- b) speed;
- c) likelihood of execution or settlement;
- d) size of the order;
- e) costs;
- f) nature of the order;
- g) any other consideration relevant to the efficient execution of the order.

We will determine the relative importance of each factor using the execution criteria, which we have set out above.

Ordinarily, price will merit a high relative importance in obtaining the best possible result for you, however, in certain circumstances, for some orders, financial instruments or markets, in our discretion, we may decide that other factors listed above may be more important than price in determining the best possible execution result in accordance with this policy.

28.8 We will monitor the effectiveness of our order execution arrangements and order execution policy to identify and, where appropriate, correct any deficiencies. We will assess whether the execution venues included in our Execution Policy provide the best possible result for you or whether we need to make changes to our execution arrangements. We will review our order execution arrangements and order execution policy at least annually or whenever a material change occurs that affects our ability to obtain the best result for the execution of orders on a consistent basis using the venues included in our Execution Policy. We will notify you of any material changes to our order execution arrangements or Execution Policy.

SEI Investments (Europe) Ltd

Terms and Conditions for Custody Services (“Terms”)

1. Background

1.1 Bordier & Cie (UK) PLC (“**Bordier UK**”) provides investment services to you, its customers (each a “**Customer**”); and has appointed SEI Investments (Europe) Ltd (“**SEI**”/ the “**Custodian**”) to provide dealing and custody services for this purpose, on the basis that SEI will be directly responsible to each Customer for the custody services.

1.2 These Terms set out the basis on which SEI agrees to provide custody services to the Customers, and constitute a separate legal agreement between SEI and each Customer.

1.3 The table at the end of these Terms sets out various expressions used with special meanings in these Terms and the meaning attributable to each of them. These expressions are used with capital letters in these Terms.

2. Appointment

2.1 These Terms take effect between the Custodian and a particular Customer from the point when the Custodian first receives Client Assets and/or Client Money to hold on behalf of that Customer.

2.2 These Terms will continue to apply in relation to a particular Customer until terminated in accordance with clause 18.

2.3 The Custodian will act on instructions from Bordier UK, as agent for the Customer, in providing its services under these Terms.

2.4 Where the consent of the Customer is required in order to provide certain services under these Terms, Bordier UK will explain the position to the Customer and obtain the necessary consent. The Customer will have provided Bordier UK with such consent when signing terms of business with Bordier UK.

3. Responsibilities of the Custodian

3.1 The Custodian will provide the following services (the “**Services**”):

- holding all Client Assets or arranging for them to be held in safe custody;
- collecting all distributions and other entitlements arising from Client Assets and accounting for them to the Customer;
- settling transactions to acquire or dispose of Client Assets on the instructions of Bordier UK and using funds provided for the purpose by the Customer;

- informing the Customer or Bordier UK of corporate actions and other events affecting Client Assets;
- holding money on behalf of the Customer where required for the purpose of providing the above Services; and
- transferring all Client Assets and Client Money held on behalf of the Customer to the Customer or as the Customer or Bordier UK may direct on termination of the appointment pursuant to these Terms.

3.2 The Services will not include advising on or managing investments or executing transactions, which will be the responsibility of Bordier UK.

3.3 The Custodian will use reasonable care and due diligence in providing the Services.

3.4 The Custodian will comply with the FCA Rules that apply to it as holder of Client Assets and Client Money. Nothing in these Terms will override its obligations under the FCA Rules.

3.5 The Custodian will settle all transactions undertaken by it subject to the Custodian holding or receiving all necessary documents or funds and will do so on such basis as is good market practice for the type of Securities and market concerned and normally on the basis of “delivery-versus-payment” (“**DVP**”). In respect of transactions that the Custodian settles for the Customer on a DVP basis through a commercial settlement system the Custodian will use the DVP exemption in the FCA Rules excluding cash and securities from Client Money and Client Asset respectively. In the event that the Custodian is not able to rely on the DVP exemption (for example because settlement has not occurred by the close of business on the third business day following payment or delivery by the Customer), the Custodian will treat cash and Securities held for the Customer in accordance with the FCA Rules. The Custodian’s obligation to account to the Customer for any Securities or the proceeds of sale of any Securities will be conditional upon receipt by the Custodian of the relevant documents or sale proceeds.

4. **Responsibilities of the Customer**

4.1 The Customer is responsible for ensuring that all of the Client Assets are, at all times when they are held in the custody or under the control of the Custodian, free from any rights in favour of any third party (including but not limited to rights of security granted to a creditor or beneficial interests under a trust), except for:

- (a) rights in favour of the Custodian or any third party engaged by the Custodian under these Terms;
- (b) rights of beneficiaries under an express trust that are notified to and acknowledged by the Custodian; and
- (c) rights in favour of a third party arising in the normal course of a transaction settled by the Custodian pursuant to these Terms.

- 4.2 The Customer will pay or will reimburse the Custodian for any liability to a third party which the Custodian may suffer or incur as a result of a breach of these Terms by the Customer, except if and to the extent that the relevant expenses or liabilities arise from any negligence or breach of duty or these Terms by the Custodian.
- 4.3 The Customer shall deliver to the Custodian or Bordier UK any necessary documentation to ensure the timely processing of Securities transactions as the Custodian may reasonably require.
- 4.4 The payment of cash or release or delivery of Securities shall be made upon receipt of instructions where relevant, and (i) in accordance with the customary or established practices and procedures in the relevant jurisdiction or market or (ii) in the case of a sale or purchase made through a Securities System, in accordance with the rule, regulation and conditions governing the operation of the Securities System.
- 4.5 The Custodian and its sub-custodians shall not be obliged to accept Securities under these Terms which in the opinion of the Custodian are not in good deliverable form. The Custodian is not responsible for checking or otherwise responsible for the title or entitlement to, validity or genuineness, including good deliverable form, of any property or evidence of title to property received by the Custodian under these Terms.

5. **Holding and Registration of Investments**

- 5.1 The Customer authorises the Custodian to arrange for title to Client Assets to be registered or recorded in the name of: (i) the Customer (ii) a nominee company controlled by the Custodian; an affiliated company of the Custodian or; a third party with whom financial instruments are deposited; as bare trustee for each Customer or (iii) the Custodian or one or more sub-custodians chosen by it, provided the Custodian or sub-custodian is prevented from registering or recording legal title as set out in (i) or (ii).
- 5.2 Client Assets may be held in omnibus accounts and be registered collectively in the same name for all customers and therefore the individual entitlements of each Customer may not be identifiable by separate certificates or other physical documents of title. **If the Custodian or sub-custodian were to become insolvent, any shortfall in Securities so registered would be shared *pro rata* among all of the Custodian's customers concerned.**
- 5.3 Where instructed to do so, or where the Custodian considers it is in the best interest of the Customer to do so, the Custodian may arrange for a third party to provide custody and/or settlement services in relation to certain Client Assets. Where the third party is an Affiliate of the Custodian, the Custodian will be responsible for the custody service provided by the third party to the same extent as if the service had been provided by the Custodian itself.
- 5.4 Where custody services are provided by a third party which is not an Affiliate of the Custodian, the Custodian will exercise reasonable care and due diligence in selecting them and monitoring their performance, but does not guarantee proper performance by the third party and will not itself be responsible if the third party fails to meet its obligations. **This means that if the third party defaults or becomes insolvent, the Customer may lose some or all of their assets and will not necessarily be entitled to compensation from the**

Custodian. Including, in circumstances where it is not possible under the relevant national law and the registration under clause 5.1 to identify the Client Assets from the proprietary assets of the third party firm.

- 5.5 Where the Custodian provides services in respect of Securities which are held by a third party in, or which are subject to the law or market practice of, a country outside the United Kingdom, the settlement, legal and regulatory requirements in the relevant overseas jurisdiction may be different from those in the United Kingdom and there may be different practices for the separate identification of securities.
- 5.6 The Custodian is covered by the Financial Services Compensation Scheme (FSCS). The Customer may be entitled to compensation from the scheme up to a maximum of £50,000 (or such other value covered from time to time by the FSCS) for investment claims if the Custodian cannot meet its obligations.

Further information about compensation arrangements is available from the FSCS directly.

6. Right of Lien Sale, Set Off and Unclaimed Assets

- 6.1 The Customer hereby grants the Custodian a security interest in and a lien on any Client Asset and Client Money to facilitate the clearing and settlement of transaction and for debts related to the provision of Services under these Terms. The Customer further agrees to grant a security interest to third parties over Client Assets in order to recover debts where the debts relate to (i) the Customer and (ii) the provision of service by that third party to the Customer.
- 6.2 The Custodian may divest itself of unclaimed Client Assets in accordance with the requirements as set out in FCA Rules. Under the FCA Rules the Custodian may either (i) liquidate an unclaimed Client Asset it holds, at market value, and pay away the proceeds or (ii) pay away an unclaimed Client Asset it holds, in either case, to a registered charity of its choice provided it has held that Client Asset for at least 12 years; in the 12 years preceding the divestment of that Client Asset it has not received instructions relating to any Client Asset from or on behalf of the Customer concerned; and it has taken reasonable steps to trace the Customer concerned. Any such action taken by the Custodian does not stop the Customer from making a claim in the future in accordance with the FCA Rules.

7. Client Money

- 7.1 Subject to the following paragraphs, the Custodian will hold Client Money in one or more of its client bank accounts with one or more deposit takers in accordance with the FCA Rules. The Custodian will pay credit interest to Customer on sterling balances in accordance with the rate of interest disclosed to Customer in the custody statement from the Custodian. The current interest rate formula used by the Custodian to calculate the rate of interest is also

available on the Custodian's website: www.seic.com/enUK/about.htm. The Custodian will not pay any credit interest on balances in any other currency. Customer acknowledges and agrees that where the rate of interest received by the Custodian is more than what is credited to Customer, the Custodian may retain such balance.

- 7.2 The Custodian does not allow Customer cash accounts to be overdrawn, where overdrawn accounts occur the Custodian may at its discretion charge an overdraft rate at the appropriate Central Bank official interest rate.
- 7.3 In the event of a charge being incurred by the Custodian for holding a cash balance (a negative interest rate) in its client bank accounts, the Custodian reserves the right to pass such charges to the Customer.
- 7.4 The Custodian may hold Client Money with a third party deposit taker in an *unbreakable time deposit account* up to the maximum allowed by the FCA Rules. Each Customer's cash may be placed on a mix of terms – between instant access and unbreakable term deposit up to 90 days (or the maximum). The mix of terms will be balanced by the Custodian to deliver an appropriate combination of interest, diversification of risk and timely access to cash at the individual Customer level. In the event that the Custodian places too much money on a time deposit it may take longer to return some cash to Customers.
- 7.5 **In the event of an insolvency of a third party deposit taker, any shortfall in Client Money will be pooled with other client money of the deposit taker and then distributed proportionately.** Any subsequent shortfall may be covered by the Financial Services Compensation Scheme for bank deposits up to a value of £85,000 (or such other value covered from time to time by the FSCS), depending on the individual circumstances for each Customer. (See FSCS contact information in clause 5.6 above).
- 7.6 The Custodian will hold qualifying money market funds the Customer or Bordier UK elects to purchase as safe custody assets and not as Client Money. As a result, the qualifying money market funds will not be held in accordance with the client money rules but instead in accordance with the custody rules as set out by the FCA.
- 7.7 The Custodian may allow another person such as an exchange, a clearing house or an intermediate broker, to hold or control Client Money, but only where this is required for the purpose of a transaction for the Customer through or with that person or to meet an obligation of the Customer to provide collateral for a transaction. In the event of a shortfall following any default of such person, the Customer may not receive their full entitlement and may share in that shortfall *pro rata*. Bordier UK will inform the Customer and provide further details if this is to occur.
- 7.8 The Custodian may arrange for Client Money to be held in a bank outside the United Kingdom. Where it does so, the rights of the Customer in relation to that money will differ from those applicable under the United Kingdom regulatory regime.
- 7.9 Where the Customer has instructed the Custodian to pay charges to Bordier UK on the Customer's behalf, the Custodian may use Client Money for this purpose.

- 7.10 To the extent that an amount is due from the Customer to the Custodian or a third party provider under clause 6 in connection with these Terms, the Custodian may use Client Money or Client Assets to pay that amount.
- 7.11 In the event that the Custodian determines that there is a legal and/or regulatory requirement for it to rebate to a Customer any commission received, then the rebate will become due and payable to the Customer at such time as is determined by the Custodian in accordance with its internal procedures.
- 7.12 Where the Custodian transfers any part of the custody services it provides to a Customer to another appropriately authorised institution chosen by the Custodian, the Customer authorises the Custodian to transfer any Client Money held for that Customer to that appropriately authorised institution provided the transferee agrees to hold the Client Money in accordance with the FCA Rules.
- 7.13 The Custodian may cease to treat any unclaimed balance allocated to an individual Customer as Client Money in accordance with the requirements as set out in the FCA Rules. The Custodian may pay away to a registered charity of its choice a Client Money balance which is allocated to a Customer and if it does so the released balance will cease to be Client Money provided the Custodian has held the balance concerned for at least six years following the last movement on the Customer's account (disregarding any payment or receipt of interest, charges or similar items); and the Custodian has taken reasonable steps to trace the Customer concerned to return the balance. Any such action taken by the Custodian does not stop the Customer from making a claim in the future in accordance with the FCA Rules.

8. **Contractual Settlement**

- 8.1 The Custodian may make available a provisional credit of settlement, maturity or redemption cash proceeds, or income and dividends on a contractual settlement basis or predetermined income basis, as the case may be ("**Contractual Settlement**"), in markets and for Securities deemed appropriate for that practice by the Custodian and agreed with the Customer.
- 8.2 Where Contractual Settlement is extended on a sale, redemption or maturity event, the corresponding Securities shall be debited from the securities account and held by the Custodian or sub-custodian pending settlement. Securities purchased will not be available for use until actual settlement.
- 8.3 The Custodian reserves the right to reverse any such credit at any time before actual receipt of the item associated with the credit when the Custodian determines in its reasonable judgement that actual receipt may not be received for that item. Where it is possible the Custodian will give advance notice of the reversal (but it shall not be obliged to do so where the Custodian determines it need to act sooner or where the Custodian's ability to recover may be compromised). Where there is any requirement of reversal of previously advanced cash the Custodian may charge the appropriate Client Money account for the expense of providing funds associated with the advance pursuant to clause 7.2 and 7.3 of these Terms.

8.4 Any provisional credits provided under these Terms shall be considered as cash advance for the purposes of clause 6 of these Terms to the extent they cannot be reversed in accordance the preceding clauses.

9. **Conflicts of Interest**

9.1 The Custodian has adopted a formal policy with a view to ensuring that in any situation in which its interests conflict with those of Customers and/or Bordier UK, all parties receive fair treatment. A summary of that policy is set out in Appendix 1.

10. **Custody Fees**

10.1 The Customer will not have to pay any fees to the Custodian for the provision of the Services provided the Customer continues to use the Services via Bordier UK. The Custodian will receive fees and be reimbursed for expenses as agreed between the Custodian and Bordier UK.

- (c) loss of goodwill, loss of reputation or loss of opportunity; or

12.2 The Custodian and the Customer will only be liable for costs which are incurred as a direct consequence of the event which led to the other making a claim under these Terms.

12.3 The Custodian will not be liable to the Customer for any inaccurate, misleading or unfair information issued or produced by fund managers under these Terms.

12.4 Nothing in these Terms will exclude or limit a party's liability that:

- (a) the Custodian or the Customer may incur to the other in respect of death, personal injury, fraud, under the FCA rules or any other kind of liability that by law cannot be excluded;

or in the case of:

- (b) any failure by the Custodian or an Affiliate to account for assets or cash to the person entitled to them under these Terms or otherwise to comply with its obligations under the FCA Rules, unless any such failure by the Custodian or an Affiliate is the result of the acts or omissions of Customer or Bordier UK.

12.5 Each of the Custodian and the Customer will take reasonable steps to mitigate any loss for which the other may be liable under these Terms.

12.6 Neither the Custodian nor the Customer will be liable under or in connection with these Terms for any breach of these Terms resulting from any reason or circumstances beyond the reasonable control of the Custodian or, as the case may be, the Customer.

SEI Investments Europe Limited (SIEL) - Summary Conflicts of Interest Policy

(A) Introduction

SEI Investments Europe Limited ("SIEL"), as a global multi-service firm, is likely to find itself in situations where the interests of one client of SIEL may compete with:

- those of another client of SIEL; or
- the interests of SIEL (or members of the Group to which SIEL belongs (i.e. the "SEI Group")); or
- the interests of SIEL's managers, employees, appointed representatives (or where applicable, tied agents) or any person directly or indirectly linked to them by control ("Relevant Persons").

In accordance with Article 47(1)(h) of Commission Delegated Regulation (EU) 2017/565 (the "MiFID Org Regulation") and the Financial Conduct Authority ("FCA")'s Conduct of Business sourcebook ("COBS") 6.1ZA.2.1 EU 47(1)(h), this document represents a summarised version of SIEL's Conflicts of Interest policy, which SIEL maintains in accordance with Article 34 of the MiFID Org Regulation, the FCA's Principles for Businesses – Principle 8 and relevant applicable rules contained in Chapter 10 of the FCA's Senior Management Arrangements, Systems and Controls sourcebook ("SYSC").

This summary document sets out SIEL's approach to identifying and preventing or managing conflicts of interest which may arise during the course of its business activities. Further details of SIEL's Conflicts of Interest policy can be provided upon request.

(B) What are conflicts of interest?

During the course of investment services and activities and ancillary services carried out by or on behalf of SIEL, there are a number of circumstances which constitute, or may give rise to, or may be perceived to be, a conflict of interest entailing a risk of damage to the interests of one or more clients. The three main categories of potential conflicts of interest include:

- **Between SIEL (including SEI Group entities) and a client of SIEL:** Situations may arise where the interests of SIEL (or the SEI Group) conflict with those of a SIEL client. This includes, for example, any instances where SIEL (or SEI) is likely to make a financial gain, or avoid a financial loss, at the expense of the SIEL client or where it has an interest in an outcome which differs from SIEL's client's interest.
- **Between two or more clients of SIEL:** Situations may arise where the interests of a client conflict with those of other clients. This includes, for example, where there is a financial or other incentive to favour the interest of another client or group of clients over the interests of the client, or a situation where confidential information about one client could be provided to another.
- **Between Relevant Persons and a client of SIEL:** Situations may arise where the interests of Relevant Persons conflict with the interests of a client of SIEL. For example, a conflict of interest may arise where Relevant Persons receive from a person, other than the client, an inducement (in the form of monies, goods, or services) in relation to a service provided to the client other than the standard commission or fee for that service.

(C) Identification of conflicts of interest

SIEL has appropriate internal controls (including a periodic review of business activities and specific transactions) to identify and record circumstances which constitute, or may give rise to, or may be perceived to be, a conflict of interest and whose existence may damage the interests of a client. These arise or may arise in the course of SIEL providing certain investment and ancillary services or a combination thereof and include those caused by the receipt of inducements from third parties or by SIEL's own remuneration and other incentive structures. SIEL has an ongoing management reporting process for potential and existing conflicts of interest.

(D) Records of conflicts of interest

As required, SIEL keeps and regularly updates its record of the types of services or activities carried out by or on behalf of SIEL in which circumstances, which constitute, or may give rise to, or may be perceived to be, a conflict of interest and whose existence may damage the interests of one or more clients, have arisen or, in the case of an ongoing service or activity, may arise.

(E) Circumstances in which conflicts of interest may occur

- SIEL or a Relevant Person is likely to make a financial gain or avoid a financial loss, at the expense of the client;
- SIEL or a Relevant Person has an interest in the outcome of a service provided to the client or of a transaction carried out on behalf of the client, which is distinct from the client's interest in that outcome;
- SIEL or a Relevant Person has a financial or other incentive to favour the interest of another client or group of clients over the interests of the client;
- SIEL or a Relevant Person carries on the same business as the client; and
- SIEL or a Relevant Person receives or will receive from a person other than the client an inducement in relation to a service provided by SIEL, in the form of monetary or non-monetary benefits or services.

(F) Arrangements to prevent or manage of conflicts of interest

As part of SIEL's organisational and administrative arrangements, SIEL has specified procedures, which are followed, and measures that have been adopted, to prevent or manage conflicts of interest.

In addition to the existence of relevant governance arrangements, escalation procedures to senior management (including SIEL's Board, where appropriate), relevant guidance and specific training provided to SIEL employees and appropriate segregation of SIEL employees' duties and responsibilities, the following are examples of SIEL policies which, among other things, specify measures and controls adopted by SIEL in order to prevent or manage conflicts of interest:

Conflicts of Interest policy (internal guidelines for employees, related to identification, prevention and management of conflicts of interest)
Remuneration policy
Suitability policy
Order Handling & Execution policy
Client Communications policy
Incidents, Breaches and Complaints policies and procedures (including SIEL's Route Cause Analysis policy)
Personal Account Dealing policy
Inducements (including Gifts & Benefits) policy

(G) Disclosure of conflicts of interest

To the extent that the organisational and administrative arrangements established by SIEL to prevent or manage its conflicts of interest are not sufficient to ensure, with reasonable confidence, that risks of damage to the interests of the client will be prevented, SIEL will disclose this fact to the relevant client(s) together with a specific description of the conflicts of interest that arise in the provision of the relevant investment and/or ancillary services. Such description will explain the general nature and sources of conflicts of interest, as well as the risks to the relevant client(s) that arise as a result of the conflicts of interest and the steps undertaken to mitigate these risks, in sufficient detail to enable that client(s) to take an informed decision with respect to the investment or ancillary service in the context of which the conflicts of interest arise.

SEI Investments (Europe) Ltd

General information relevant to retail clients of SEI Investments (Europe) Ltd.

1. WHO SHOULD READ THIS DOCUMENT AND WHAT IS ITS PURPOSE?

This document is relevant to those retail clients of SEI Investments (Europe) Ltd (“SEI”) who consume SEI services governed by SEI’s Custody Terms (“Custody Terms”).

The Custody Terms were provided to you when SEI was appointed as a custodian of all or part of your financial assets (including, to the extent relevant, both money and financial investments held by SEI on your behalf).

SEI’s appointment as a custodian of all or part of your financial assets was made on your behalf by a regulated firm (the “Intermediary Firm”) you have appointed to provide you with certain services associated with those assets (e.g. investment/asset/wealth management services) and which, as your agent, has arranged for SEI to provide to you relevant services governed by the Custody Terms.

This document contains certain information that SEI considers you may find useful, and therefore provides to you, in its role as custodian of financial assets held by SEI on your behalf.

This document is not legally binding to SEI or the reader, it should be read in conjunction with the Custody Terms and to the extent that there is any inconsistency between this document and SEI’s Custody Terms, SEI’s Custody Terms prevail.

2. GENERAL INFORMATION

2.1. How is SEI regulated?

SEI is authorised and regulated by the Financial Conduct Authority (“FCA”). SEI’s Firm Reference Number is 191713. You can find more detailed information on SEI’s regulatory status on the FCA Register which is accessible at www.fca.org.uk/register. The FCA is located at 25 The North Colonnade, Canary Wharf, London, E14 5HS. Further contact details for the FCA can be found at www.fca.org.uk.

2.2. Will SEI communicate with you directly?

Unless SEI is obligated to do otherwise by the FCA, all of SEI’s communications with you will be through your Intermediary Firm. All communications will be in English.

2.3. Will you receive statements from SEI?

As your Custodian SEI is obligated to provide you with a periodic Custody Statement of the investments and money that SEI holds for you. SEI will provide this at least once a quarter either as part of a periodic statement that your Intermediary Firm is required to provide to you or as a standalone Custody Statement.

If you have opted to receive your statements in electronic format, SEI will facilitate the provision of an electronic statement via your Intermediary Firm who will be able to provide more detail on how this will be made available to you upon request. In these circumstances, SEI will not provide you with an additional paper copy.

2.4. What fees does SEI charge for the services that it provides to you?

The services provided to you by SEI are part of a broader suite of services provided to your Intermediary Firm and SEI receives a bundled fee from your Intermediary Firm directly in relation to these services. Your Intermediary Firm may charge you a fee which incorporates the services provided by SEI.

Please note that SEI may retain some of the interest earned in client money bank accounts and may charge you for overdrafts on your cash account should they occur.

3. CLIENT MONEY

3.1. What are client money bank accounts and how do they operate?

Money held by SEI on your behalf is treated as client money in accordance with the FCA rules. These rules require SEI to hold your money in “client money” bank accounts which are established with statutory trust status. This means that money held within the accounts is recognised by the bank as belonging to clients of SEI rather than SEI itself. In this way SEI holds your money as a trustee.

SEI further segregates all client money bank accounts from any bank accounts holding money belonging to SEI by arranging for the client money bank accounts to be named in a manner which makes it clear that the money held within the accounts is for the benefit of clients and not SEI.

3.2. How does SEI choose where to hold your money?

You will deposit money into SEI’s UK client money bank accounts. This money may be subsequently deposited into client money bank accounts at a range of other banks chosen by SEI. The spreading of client money across a number of banks is designed to help reduce the risk of client money being lost in the event of any one bank failing.

SEI may deposit your money in a bank outside of the UK, in Europe or the United States, where deemed prudent to do so. In such circumstances, it is important to note that such banks will be subject to a different legal and regulatory regime from that of UK banks and the rights and protections afforded to you under the FCA rules will not be available to you. For example, the client bank accounts may not be established with trust status and your money may be treated differently in the event of a bank failure than it would be if it was held with a UK bank.

SEI is responsible for exercising reasonable care and due diligence in the initial selection and ongoing monitoring of all banks where client money is deposited with the security of your money being SEI’s primary consideration. However, SEI will not be responsible for any acts, omissions or failure of the banks.

SEI may place a portion of cash in the client money pool into unbreakable time deposits at a third party deposit taker, in line with the FCA’s Client Money rules. Your cash may be placed in a mix of terms - between instant access and unbreakable term deposits up to the maximum allowed by the FCA rules. The mix of terms will be balanced by SEI to deliver an appropriate combination of interest, diversification of risk and timely access to cash at the individual customer level. In the

unlikely event that SEI places too much money on a time deposit it may take longer to return some cash.

A list of the banks that SEI uses to hold client money is available on request.

3.3. What protections are in place for the client money bank accounts in the event of the failure of a UK bank?

If any of the UK banks chosen by SEI fail and cannot return your money, you may be eligible to claim compensation under the Financial Services Compensation Scheme (“FSCS”), depending on your individual circumstances. The current compensation limit is £85,000 per eligible claimant, per bank, and the limit covers all money held with the bank whether through SEI or directly. Full details of the arrangements under the FSCS are available on their website at www.fscs.org.uk.

It is important to note that if one of the banks fails, your money will be pooled with money held in client bank accounts for other SEI clients and you will have a claim against the common pool of money rather than a claim against a specific sum in a specific account. As a result, any shortfall in the client bank accounts will be shared pro-rata between all SEI clients (whose money is held by SEI).

3.4. Does SEI have any rights in relation to your money?

In the event that you owe a debt to SEI in relation to services SEI has provided under the Custody Terms, SEI may use any of the money held for you to pay off or reduce that debt.

3.5. Can SEI pay fees that you owe to your Intermediary Firm from a client money bank account?

Under the Custody Terms, you have permitted SEI to collect and pay fees that you owe to your Intermediary Firm from money held for you in a client money bank account.

3.6. What happens to unclaimed money?

Where SEI has held your client money for 6 years, following the last movement on your account (not including any applicable interest payment, fee collection or similar) and your Intermediary Firm or SEI has been unable to trace and contact you, to pay you this money, over that time, SEI is able to treat this balance as unclaimed client money. This means SEI will cease treating the amount as client money and is able to pay the balance away to a registered charity of SEI’s choice.

In accordance with FCA Rules, SEI will retain a record of this action, which does not stop you from claiming this balance from SEI even after it has been paid away.

3.7. What is Contractual Settlement?

Contractual Settlement is a tool that facilitates cash and liquidity management for the investor. SEI will move cash into your account and move the securities out of your account on the day you are meant to settle your transactions, regardless of what may have actually happened with the broker or fund manager. We will do the opposite for purchases.

This process insulates you from the securities settlement process and simplifies the money movement processes. In rare cases these postings may need to be reversed because of an unusual market event. If that did occur you will be notified by your Intermediary Firm.

4. CUSTODY

4.1. Where are your assets held?

SEI is responsible for holding the assets within your Intermediary Firm account in safe custody. Your assets are held in the name of SEI Global Nominee Ltd on behalf of you as a client of your Intermediary Firm.

4.2. Who is SEI Global Nominee Ltd? What role do they play?

SEI Global Nominee Ltd is used to assist in ensuring all client assets are segregated from the assets of SEI. SEI Global Nominee Ltd is a Nominee Company which is used by SEI as it has no material liabilities and is a separate entity from SEI. Therefore your assets would not be available to an administrator or liquidator of SEI, or its parent company, SEI Investments Company, in the event that bankruptcy proceedings against SEI should ever occur.

4.3. Are there any other Custodians holding your assets?

SEI may use a number of third party custodians (also known as sub-custodians) to administer and hold some of your assets.

SEI will be responsible for exercising reasonable care and due diligence in the initial selection and ongoing monitoring of the sub-custodians but will not be responsible for any acts, omissions or failure of the sub-custodians.

In certain circumstances, SEI may select a sub-custodian outside of the UK where deemed prudent to do so. In such circumstances, it is important to note that such sub-custodians will be subject to a different legal and regulatory regime from that of the UK and the rights and protections afforded to you under the FCA rules may not be available to you. For example, there may be different practices for the separate identification of your assets which may result in them being subject to third party claims in the event of the failure of the sub-custodian.

4.4. How does SEI protect your assets?

All custody accounts are operated in accordance with the applicable FCA rules. Under these rules, SEI is required, amongst other things, to make adequate arrangements to safeguard your ownership rights and to prevent the use of your assets for SEI's own account. SEI has put procedures in place designed to meet the following obligations:

- records and accounts are kept as necessary to enable SEI to distinguish assets held for one client from the assets held for any other client and from SEI's own assets; and
- reconciliations are made to SEI's own internal accounts and records and those of any sub-custodians with whom your assets are held

All client assets will be held in omnibus accounts by SEI Global Nominee Ltd. This means that SEI Global Nominee Ltd will pool your assets with the assets of other clients and therefore your individual entitlements may not be identifiable by separate certificates or physical documents of title. In the event of a shortfall in the accounts following a default of SEI Global Nominee Ltd or a sub-custodian, you may not receive your full entitlement and may share any losses pro-rata with other clients.

4.5. What happens to unclaimed custody assets?

Under FCA Rules, where SEI has custodied an asset for you for over 12 years, and in that time you have not sent any instruction to your Intermediary Firm or SEI with respect to that asset and your Intermediary Firm or SEI has been unable to trace and contact you about the holding, SEI is able to liquidate the holding and pay the proceeds away to a registered charity of SEI's choice, or gift the holding to a registered charity of SEI's choice.

In accordance with FCA Rules, SEI will retain a record of this action, which does not stop you from claiming a sum equal to the value of the holding at the time it was paid away/gifted.

4.6. What compensation is available to you in the event of the failure of SEI in its role as Custodian?

In the event that SEI is unable to meet any of its liabilities, compensation may be available to you under the Financial Services Compensation Scheme ("FSCS"). The current compensation limit in relation to investment business is £85,000 per eligible claimant. Full details of the arrangements under the FSCS are available as outlined above.
